Make The Most Of Our Facilities In 2011

The BCOM centre has a wide range of rooms to suit every event; each adaptable to your needs. Our fully equipped large and medium rooms are ideal for training courses, meetings and conferences. We also offer the option of smaller rooms; for low key meetings, workshops or conference breakout sessions.

We are able to provide laptops, projectors, flipcharts and a PA system for an additional fee when booked in advance. Refreshments such as tea, coffee and biscuits can also be provided for an additional fee. We also provide lunch options in a relaxing environment for a small extra cost. Our training centre is also fully disability friendly - with wheelchair access and a lift for the first floor.
